

# Dachshund Dash

Dogs names will be called twice before the race. Let's just say if your dog is not at the gate at the time of the race, you forfeit the race. Two people must be available during the heat; one at the race gate, and one at the finish line.

Races are run in heats, with no more than eight dogs racing a 80 foot long course. All dogs start at the same time. Remember: making sure they face the right direction at the start is your responsibility (you'll see what we mean when you get there). The three finishers advance to the next race, etc., until the finals.

You may use a toy, ball or treat to entice the dog, but you must stay at each end until your dog comes to you! The toy or treat may not be thrown or tossed.

You may bounce the ball but remember, bouncing is not throwing. No loud devices, drones, hot air balloons, leaf blowers, laser pointers or anything that may be distracting to other dogs/owners. You may NOT run along side the dog, Your dog may step out of bounds but must re-enter and completely cross the finish line, within the boundaries, without being grabbed. If the dog is touched by the handler before completely crossing the finish line, the dog will be disqualified.

We reserve the right to disqualify any pet/owner for behavior deemed inappropriate. Any dog that bites another dog, person or handler will not be permitted at the races.

It's all about the fun!

The finalist will be a part of the Grand Parade

Remember: the folks that run this are all volunteers, so please be kind. ALL  
JUDGE'S DECISIONS ARE FINAL.

# RULES FOR THE DAY

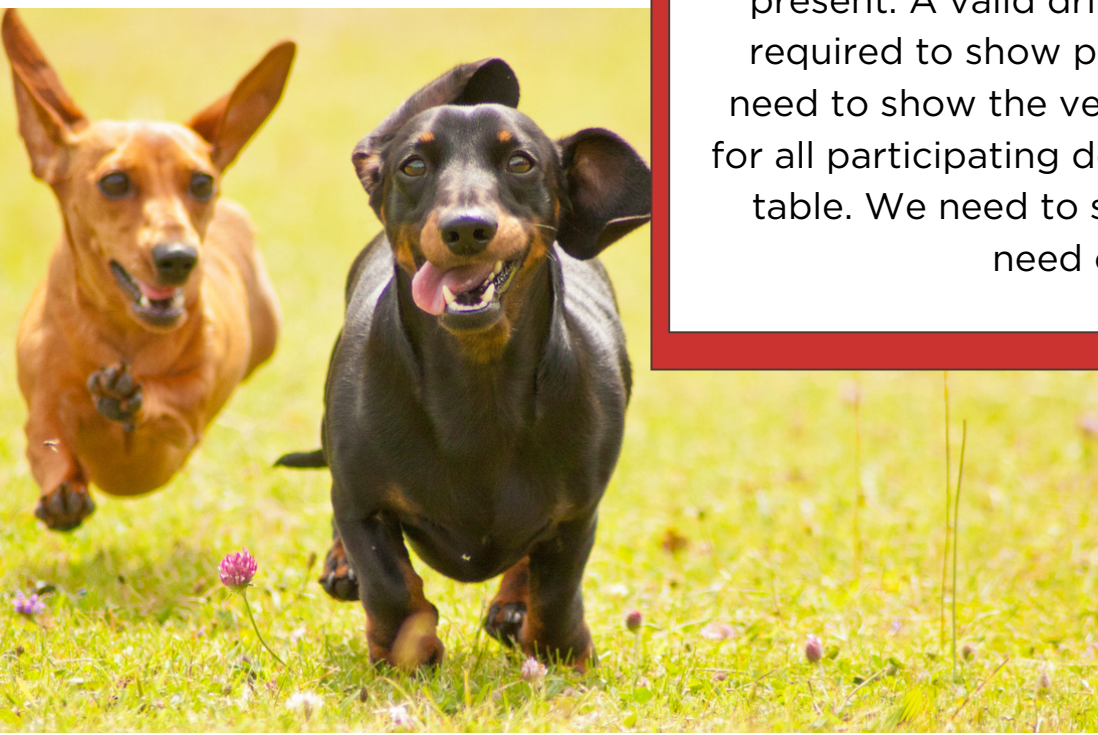

Dogs must be on a leash at all times except during race as we all concur it would hinder your dog's ability to reach the finish line.

Do I need to clean up after my dog? Uh, yes. Remember, registration is FREE and doesn't include a "clean-up fee." Owners must clean up after their dogs! Please bring along your own "clean-up" gear.

You must be the registered owner of your dog to race. Proof of ownership may be required. You must be 18 or over to participate, or have a legal guardian present. A valid driver's license may be required to show proof of age. You will need to show the veterinary shot records for all participating dogs at the registration table. We need to see them but do not need copies.
